### **LSC NETWORK**

IGNOU provides support services to its learners through its Learners Support Centres. Under RC Chandigarh three types of learners Support centers are in existence which include Regular Study Centres (activated for variety of prorammes) Programme Study Centres (activated for a particular or group of programmes from the same discipline) and Special Study Centres (established in remote and rural areas, for women, SC/ST and jail inmates and programmes are activated as per the need and availability of academic counselors).

Learners Support Centres are normally remain open on Sunday and holiday and each LSC has its time schedule.

REGIONAL CENTRE CHANDIGARH

A large segment of the society was deprived from access to higher education due to geo-physical, socio-economic and ethno-cultural setting of the country. Moreover, the existing conventional education system remains to be costly, rigid in admission rules, lacks flexibility in terms of place, pace and duration of study. Precisely, it was in this context that the govt, of India had revolutionized the structure of higher education by introducing the bill in parliament in 1985 to establish first National Open University (IGNOU) with the objective to offer innovative and need based, cost effective and high quality education by using latest Information & Communication Technologies (ICT). While developing the programmes, special emphasis was laid down to "reach the hitherto unreached areas" without compromising the social objective and quality benchmarks. As a result of this, today in IGNOU, there are around 3000 Learner Support Centres, 67 Regional Centres and 3.032 million students enrolled in 232 programmes in and outside the India. IGNOU has also acquired international role by establishing Learner Support Centres in 29 overseas countries. At present total enrolment in the country in higher education is 28.51 million and out of which 3.032 million are enrolled in IGNOU which is 10.63 percent of the total enrolment of the country. Though, India has the second largest education system, the Gross Enrolment Ratio (GER) in the country is 23.6 per cent, the way below the world average of the 30 percent and in some of the developed counties such as USA with 34, UK 59, Japan 55 and China 28 percent. Therefore, a lot of efforts are required to achieve the higher GER. Open and Distance Learning (ODL) system, particularly IGNOU with its vast network can play a pivotal role to achieve the target.

### **REGIONAL CENTRE CHANDIGARH: A GLANCE**

In order to strengthen its student support services in and around tri-city of Chandigarh, Mohali and Panchkula and adjoining districts of Punjab and Haryana, Indira Gandhi National Open University, established Regional Centre at Chandigarh on 1st January, 2009 by carving out a few Learners Support Centres of Chandigarh and adjoining districts of Punjab & Haryana including Panchkula and Ambala, Mohali, Patiala and Fatehgarh Saheb. The important towns served by this Regional Centre are Panchkula, Kalka, Pinjore, Ambala, Barwala, Mohali, Sirhind, Ropar, Nangal, Nabha, Zirakpur & Patiala. Although the operational area of the Regional Centre is relatively small, however, it enrolls about ten thousand students to the various programmes of the university on yearly basis. Initially the number of LSCs attached were very few, but considering the interest of the learners in IGNOU programmes a significant number of Learner Support Centres were established over the years. The Jurisdiction of Regional Centre was bifurcated from Regional Centre Khanna and Karnal which are catering the Open and Distance Learning needs of the states of Punjab and Haryana respectively. It is one of the fast upcoming Regional Centres in the country in terms of student enrolment, number of Learner Support Centres, programmes activated and various decentralized operational functions. Since then with the consistent efforts. the enrolment of various programmes has been increasing steadily and in 2017 it is likely to cross ten thousand. The Regional Centre is making all efforts to provide best support services to its learners with a network of 31 active LSC's in the region. As a result, in every convocation, some students of this RC awarded university gold medal for best performance in a particular programme.

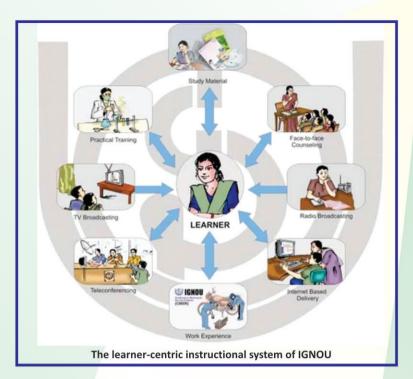

## **Feedback from IGNOU Gold Medalist**

I took admission in the IGNOU MBA programme in 2002 session. I was at that time working in a Nationalised Bank in a managerial post. The programme helped me a lot in the work place to handle the problems and to achieve the goal. The literature study material was so informative and interesting that I enjoyed by reading in the late hours. I

**Rakesh Kumar** 

enjoyed reading and preparing for my exams, in the candle lights in the night also. There is no option other than hard work for success. It was great momen in my life to get Gold medal from the from the hands of His excellency Dr. AF Abdul Kalam. By the grace of God and hard work. In January 2006 I was invite by Ministry of Human Resource & Development to witness Republic Da Parade in Prime Minister Box as a guest of honorable Prime Minister of Indifor excellence in academic achievement in MBA exams of IGNOU.
